November 2004

### *Chapter Planning Meeting*

By Marsha & Ron Curry

On Sunday the 14<sup>th</sup> of November a bunch of Chapter I members gathered at Ron & Marsha's home to review staff planning for next year and to put together a draft of the 2005 Chapter Calendar.

Attending the meetings were the Noahs, Wrens, Cruzan/Schlosser, Partners, Lewis Farmer, Mark Atwell, the Nyquists, Didi Reisler, the Harders, Mark Damschen, the McMinns, the Straths, and the Currys. We managed to snack and eat our way through the meetings!

The 2005 staff is coming together nicely. We'll report on who will be doing what at the next chapter meeting and we're still calling around to fill a couple more positions. There are several reports that have to be prepared prior to the District meeting on January 8<sup>th</sup> and new officers for the chapter are required to complete a knowledge evaluation and a couple other forms. We think we're going to have all that ready in plenty of time.

Our Chapter calendar is still in draft form, so if there is an important event or ride you'd like to lead, please give us a call and we'll try to squeeze it in. Darrel and Laurie are documenting calendar decisions and had draft calendars ready for this planning session. When we go

to the District meeting we'll be de-conflicting major event dates with the other chapters, so some of the draft dates may get moved or revised.

Next year we will be counting on more of you individual members to plan, notify, and coordinate rides. If you have a favorite ride you'd like to take the chapter on, let us know – if you haven't led a ride before we have plenty of time to

help get you ready to do that (and it is quite acceptable to lead a ride from the rear or middle of a group). You come up with the idea, and the staff will help you get ready. We definitely need a bunch of one day and half day rides to fill out the riding months.

We look forward to seeing you at the next chapter meeting and at the Chapter Christmas party!
