

## - From the Directors -

Hello Chapter I !!

Just got back from the Chapter G Pig Roast. Could not have asked for a nicer day both to ride and to Luau with friends. Seemed like everyone had a great time. Thanks to Dick & Fran and all your helpers for putting on such a feast.

Also, Happy Father's Day to all you Dad's out there. We hope you had a really nice time.

It looks like it will be a pretty busy summer considering all the GW activities as well as mixing in some personal time. If it hasn't dawned on you, Wing Ding is just over two weeks away... Even if you're not going that still means that we're already at mid-year. Time goes by so fast.

Oh, don't forget that our July Meeting will be on the 2nd Saturday, July 12th instead of the 1st Saturday, which of course is Wing Ding. Later that afternoon those that wish to go will be heading up to Lyons for dinner and the Howl at the Moon ride up onto Trail Ridge Road. Hope you can join us for both.

Our Chapter I Picnic Fundraiser & 30th Birthday Party is just 7 weeks away. That will be here before you know it. We certainly appreciate all the volunteers that have signed up to help. We're expecting to have a wonderful time of it again this year.

So enjoy your summer. Hopefully you will get a lot of riding time in.

Be safe and we'll see you soon.

## RIDER EDUCATION

# FUN, FUN, FUN

Well, Laura & I went to Europe in May 2014 and what a blast we had. We visited seven cities and four countries. Yes, we were on the move...one to three nights per city depending on location. We flew into Iceland before landing into Glasgow, Scotland. In Scotland we visited Urquhart's Castle...just ruins now. Urquhart's Castle is located on Loch Ness. I think I took a picture of Nessy. The next day we went by train to Edinburgh to see Edinburgh Castle. Then on to London by train to see Windsor Castle, Stone Henge, & Oxford. That night we tour of London...WOW!!! What a long day!!

A short flight to Frankfurt...and then on to Roma, Italy. Nice and warm, 70-75 degrees compared to 55-68 degrees in Scotland. We took tours of the Coliseum, churches and architects. The next day we went to the Sistine Chapel, the Vatican and St. Peter Square. Venezia has a lot of canals of which Italian Job was filmed. We toured San Marcus Square and visited some museums. Another short flight back to Frankfurt, Germany to visit an old college and Army friend in the city of Habitzheim, Germany...east of Darmstadt, southwest of Aschaffenburg. (information for those of you that were stationed in Germany.) We spent three days there just catching up of old times and eating good Germany food.

And like all good times must come to an end...the flight back to Iceland and then back to Denver. A good time was had by all and we took over 1300 pictures to include movies. Enjoyed some of the pictures enclosed.

Goofy is awarded to one Chapter member who has done the goofiest thing since the last meeting. Goofy gets to spend the next month with that person. The person receiving Goofy must add or attach something that represents their “goofy” stunt.

Members, be on the look out for someone pulling a Goofy.
