

SPRINGS WINGS

- From the Directors -

CHAPTER I MONTHLY GATHERING

WHEN
1st Saturday
8:30 coffee, 9:00 meeting

LOCATION
Holy Cross Lutheran Church
4125 Constitution Ave.

So another month has come and gone, and our riding season is quickly losing it's opportunities. If you're one of those that puts your bike up for the winter it's probably about time to get it winterized, plugged into the 'tender' and covered up. Some of the rest of us will keep ours ready to ride in order to take advantage of those nice winter days. The battery tender will still be a good idea as those nice days may be few and far between. In any case, get your ride ready for the winter hibernation.

That's not to say that our lives are slowing down any. We are preparing for the Thanksgiving holiday as well as making plans for Christmas and New Years festivities. We hope you have a great time with family and friends.

Finally, we would like to send out a sincere Thank You to our Veterans!!

While it's nice to have a day set aside to recognize you all, this is something that should be expressed each and every day, so Thank You for your Service.

We can never repay our debt to you.

Ride safe, we'll see you soon.

RIDER EDUCATION

Myth:

A car can see you if the driver is really paying attention.

Car drivers may not be able to see your motorcycle for any number of reasons. Because a bike is relatively small, depending on your distance from the car, any number of obstacles could obscure you from the car driver's view. Telephone poles, other vehicles and the car's own natural blind spots are all potentially fatal hazards that you must keep in mind when riding in traffic.

Car drivers often don't see motorcycles because they aren't looking for them. Most car drivers are looking out for other cars when they change lanes or make turns, and the driver may look right at you but not actually see you. The only real solution for not being seen is to make sure you are paying attention at all times and driving safely enough to stop as necessary to avoid being hurt.

With that being said, we need to be extremely careful at intersection where there is nothing blocking a driver's view. Case in point: I was stopped at the intersection with the red light in the through lane. On the other side of the intersection was a Dodge SUV in the turn lane. When the light turn green for us, I started out slowly, the SUV crept slowly and started to turn. I came to a stop and waited for the SUV to turn left or stop. The SUV stopped just short of the intersection and flashed its high beams to signal me to continue. I proceeded slowly and stared at the vehicle.

RIDER EDUCATION

You tend to wonder what drivers are thinking or doing at 6 AM in the morning. OH, I know...eating, drinking coffee, putting on make-up, shaving, brushing your teeth, getting dressed, surfing the net, texting, making calls and the list goes on and on. I want everyone to be safe, especially at intersections and during cold weather riding. Drivers don't expect motorcycles to be out in cold weather. Stay alert — Stay alive.

COMMUNITY SERVICE

Blankets:

On October 27 several Chapter I ladies (Laurie, Marsha, Tiffany, Lexie, Didi, Sandie, Olga, Wilma) got together to make blankets for charity. Some blankets were constructed during Maintenance Day in May. Counting the ones made in May and the recent ones we have over 30 blankets to contribute to charitable organizations in Colorado Springs. We always have a lot of fun making these blankets every year and they are usually very appreciated at the organizations when we deliver them.

Separate charity event:

We will be stuffing bags with small toiletries on November 30th at 10AM. We will meet at the Curry's where we will have tables set up in order to distribute the soaps, shampoos, tooth paste and tooth brushes. If you have not been able to give your contribution to one of the Community Service Representatives, please bring them to Marsha, Nancy L., Laurie or our new Chapter leader Jacque. Thank-you Sandie for getting the bags for this effort.

******Don't forget about the Food Pantry******

We are still working toward our 2015 poundage goal of 2000 lbs.

We are currently short of our goal. Please bring food to the pantry during the meeting, or any other time the pantry is open! Be sure the volunteers know it is donated by our Chapter.

Thanks,
Marsha, Laurie, Nancy L.

2015 Goal - 1 Ton / 2,000 lbs

Total as of October - 896 lbs

just a pinch short, but every bit is appreciated !!

GOOFY

Goofy is awarded to one Chapter member who has done the goofiest thing since the last meeting. Goofy gets to spend the next month with that person. The person receiving Goofy must add or attach something that represents their “goofy” stunt.

Members, be on the look out for someone pulling a Goofy.
