CHAPTER I MONTHLY GATHERING

WHEN

1st SATURDAY

8:30 coffee, 9:00 meeting

LOCATION

Holy Cross Lutheran Church
4125 Constitution Ave.

- From the Director's Desk -

It is finally May, and with it, we have warmer temperatures, we can get the bike out more often and we got to join everyone for Maintenance Day! We want to thank Darrel and Laurie for opening up their home, garage and time to everyone. We also want to thank everyone that helped to make this a great event. We had a great turn out of about 50 people with about 25-30 Gold Wings. There was a lot of activity going on everywhere as the team worked on various motorcycle projects. As if that wasn't enough, there were 9 beautiful fleece blankets created that will be donated later this year. What a great day!!

The Region "F"un Convention is just around the corner. On Friday, May 27th, Jim and Olga Wyman, our Colorado District Couple of the Year, will be competing for the Regional COY title. We should have a great time as we cheerlead them to a swift and sure victory. Is it OK to say that? ☺ Please come out to support them if you can!

The other day, I joined Ron, Don and Garry as we took the BRC2 riding course. What a great time we had together as we took the course. I learned a lot, and was humbled a little bit as I realize I still have some ways to go to perfect my riding skills. At one point I asked one of the instructors if they had any coaching, and the response was "no, you guys are awesome!" I'd like to encourage everyone to take a course this year if you can. Let me know, and I'll try to join you.

Please let Don Cruzan or us know if you can help with our Picnic Fundraiser scheduled for July 9th at Fountain Creek Regional Park. This is always a great event and goes a long ways to helping cover some of our chapter expenses. With a lot of hands we can ensure that we have another very successful fundraiser.

Ride safe, and we will see you out there.

THOUGHTS FROM THE BACK SEAT

When I was in high school, I imagined all the wonderful things I could do when I grew up, (I don't think I'm there yet!). Among the list of occupations I considered were; auto mechanic, semi truck driver, and school teacher.

I know some of you probably didn't expect that. Truth be told, I have always had such a love for motorcycles, cars, trucks and all the tools that go with them.

I suspect, spending my summers as a kid with my grandparents who ran a gas station is when my fascination with all things motorized began.

In those day, all gas stations were full service. My 5'4", 300 lb. grandma would run outside to the pumps, every time a car pulled up. A million times, I watched her smile real big, start pumping gas into the customers car, wash their windshield and check their oil. What was my grandpa doing? He was in the garage usually working UNDER someones car.

To this day, I LOVE the smell of gas! If I hear a muscle car, like a Dodge Charger or see a gorgeous, Chevy Corvette, I will get goose bumps down my arm. If Steve wants to go to a car or motorcycle show, I'm right there with him. I can drool over all that stuff with the best of them!

Even though I didn't become an auto mechanic, or ever drive a semi, I did work on my own car, (1967 Chevy.) Back then, I could actually recognize what was under the hood.☺

I also want to give a huge, thank you, to Darrel and Laurie Cruzan who so graciously let ALL of us bombard their home and garage last Saturday for, Maintenance Day.

We had a wonderful turn out of, 50, of Chapter I's finest, working together on motorcycles and or fleece blankets and of course eating lots of delicious food! It was such a great time AND being able to look at all the cool tools in Darrel's garage, well, that will make this girl smile every time!

MAY IS MAINTENANCE

May is Maintenance Month. Everyday before we go on a ride, do a maintenance check of the motorcycle. We should all check our motorcycles before we head out for a ride. We should at least do a T-CLOC on our motorcycle. Establish a routine that you will go through before every ride. Start by evaluating the condition of your motorcycle as you walk up to it. Do a mental T-CLOCS. Look at the tires as you approach (inflated, tread, visible damage). Are there any oily or wet spots on the ground under your bike (where did it come from, is it safe to ride)? And try to be conservative when you answer these questions to yourself. Keep your eyes open for anything amiss. Then, if everything looks okay, gear up. (Of course, you should do a physical T-CLOCS regularly, too, especially before starting a long ride!) A quick check of the motorcycle should take about a couple of minutes. I definitely check all lights and turn signals.

However, if your going to install led lights all over the motorcycle, you may want to allow for more time. Case in point...I have a friend that wants to install led lights under the saddle bags for starters. He asked me what he would need to accomplish this task. For starters, you would need a light switch, grounding block, power panel with fuses, 16/18 gauge wire and a lot of other items. What he didn't realize that the top shelter, meter panel and seat had to come off to run wires and install the light switch and other items. Keep in mind that he has not taken the motorcycle apart before and this would be a challenge. After showing him the Steve Saunders video with instruction, this seem overwhelming for him. A project this magnitude requires time and patience. That's why I work on these projects during the winter months. I can take my time and plan the routing of wires and the positioning of lights. I call this the WINTER UPGRADES, and that's **why I don't ride until May**.

And now you know...THE REST OF THE STORY.

SOBERING FACTS

- The average person metabolizes alcohol at the rate of about one drink per hour. Only time will sober a person up. Drinking strong coffee, exercising or taking a cold shower will not help.
- Almost every 90 seconds, a person is injured in a drunk driving crash.
- Everyday in America, another 27 people die as a result of drunk driving crashes.
- One in three people will be involved in an alcohol-related crash during their lifetime.
- You are twice as likely to be killed in a drunk driving related crash on the weekend and more than likely to perish at night.
- In fatal crashes in 2011, the highest percentage of drunk drivers was for drivers ages 21 to 24 (32%), followed by ages 25 to 34 (30%) and 35 to 44 (24%).
- An average drunk driver has driven drunk 80 times before the first arrest.
- If all 17 million people who admitted to driving drunk had their own state, it would be the fifth largest in the United States.

WY DISTRICT RALLY

Wyoming District along with the NE/SD District is putting together a tour/trip schedule like no other, encompassing a total of 10 days of rallies/conventions when Wing Ding is added into the trip. Starting off in Wall South Dakota on the 25th of August you can enjoy the NE/SD rally/convention thru the 27th of August. Traveling on Sunday the 28th from Wall to Sheridan Wyoming for just under 300 miles. You than can enjoy the Wyoming District rally/convention from the evening of the 28th thru the morning of the 30th. Just a few things on the agenda are a welcoming party Sunday night the 28th, huge BBQ the evening of the 29th, which is included in the registration fee, we are also trying to put together a dance for Monday night, guided and unguided rides, western history like no other including several top rated western museums, awesome western old down town style shopping, Custer's battle field and last stand, Light parade, and I can't leave out some very awesome mountain and plains riding just to mention a few. Leaving Sheridan Wyoming the morning of the 30th right after a western style no host breakfast of course to send you on your way, you can take one of several beautiful routes to Billings, a couple of which are Beartooth Pass and Chief Joseph Scenic Highway, getting to Billings just in time to enjoy the down town party the city of Billings is putting on. If you all would be so kind as to forward this e-mail on along with our registration form and information to all your Chapter Directors, so they all can forward onto their members and have a chance to enjoy these awesome 10 days with other GWRRA friends it would be much appreciated.

We are getting really excited to host all our GWRRA Friends out West and make sure everyone that joins us knows what Western Hospitality is all about.
SEE YOU OUT WEST PARTNER !!!!! AND RIDE SAFE
