8:30 coffee, 9:00 meeting

LOCATION

Holy Cross Lutheran Church
4125 Constitution Ave.

- From the Director's Desk -

This summer is going fast...very fast—it's the middle of July already! I'm sure that I heard that it is a scientific fact that every summer races by faster than the previous year. I hope you've been able to get out on some great rides.

This year's Chapter-I picnic was a great success! There was music, dancing and a lot of great food and great friends. I even heard rumors of dancing on the tables, but I think those are just rumors ☺ We want to extend a GREAT BIG THANK YOU to everyone that made this a great picnic!

There are a lot of great summer activities planned over the next few months. Here's a list of just a few of them:

- July 23rd - Rider Ed Instructors RCICP - Fay Meyers 9700 E Arapahoe Rd, Greenwood Village, CO
- July 23rd - Ch-J Fundraiser - Hummer of a Summer 20100 E Jewell Ave, Aurora, CO
- July 29th - Multi-Chapter Campout, Cripple Creek, CO - Jim Wyman 719-649-6697
- August 11-13 - CO District Convention - Montrose, CO
- August 31 - September 3: WingDing 38 - Billings, MT

Speaking of the Colorado District Convention...it's just a month away! Chapter-I is once again sponsoring the Bike Show and Light Shows. Please contact us to volunteer to help support the various activities that will make this year's Bike and Light Shows a great success

Ride safe, and we will see you out there.

THOUGHTS FROM THE BACK SEAT

May I start out by saying, picnics, especially our annual Chapter-I picnic, so, so FUN! Saturday, July 9th started out warm and sunny and stayed that way all day long, yay!

I must confess, being that it was Steve and I's first time to plan our annual picnic, I spent MANY nights, thinking, planning, making lists and thinking some more, trying to make sure I remembered every detail.

As it turned out, our Chapter-I family members jumped right in with both feet and many hands too. 😊 In very short order what started out seemingly very daunting and not just a little overwhelming, began very quickly to fall into place. There is truly much truth in the old adage "many hands make light work."

I would like to say a HUGE and very grateful, thank you to each and every one of you who joined us on Saturday, including all our friends who joined us from other chapters, wow, you made the picnic great! It was wonderful!

For all of you who gave so selflessly of your time, your talents, your tables, your chairs and ALL the other stuff we asked for, you are amazing! Thank you so very much! I also wanted to give a special thank you to Laurie Cruzan who was willing to battle the remains of, "geese hood," in order to insure our annual chapter I picnic, was a winning success!

Between the baseball bingo games, the water balloons, and the incredible DJ abilities of our very own, Glen Goode, aka, "Dr. G," an extremely fun time was had by all!

Also, be on the lookout for a fabulous, new dance group, "Dorie and the Neonettes," coming soon, to a chapter near you!

One final note, Saturday night, I slept like a baby!

SOME BRAKING TIPS

Now that we have good weather, the roads are dry, we are now able to do maximum braking when needed. Here are some tips for hard braking if needed. Hopefully not. (tips from Dave Tolbert, Motorcycle Training Academy)

The best way to make sure stopping on your motorcycle is as safe as possible, is to maintain a safe following distance behind the vehicle in front of you. By keeping an adequate space cushion between you and other vehicles, you can avoid the need for sudden braking altogether. In wet or slippery conditions, increase your following distance even more since traction available for braking is reduced.

The key to emergency braking while staying in control is to manage available traction and to anticipate the change in available traction between front and rear tires as load shifts forward when brake force is introduced...Squeeeeeze the front brake while Easing off the rear brake. This takes practice.

THE BRIDGE

Photos Courtesy of Nancy Lockhart & Janet Hall

This was the 6th Annual "Bridge Ride". As usual, Cindy and Betty (the Bridge Activities Directors) welcomed us with open arms, smiles and excitement. They had made a "Welcome Goldwinger" sign with a bubble machine filling the air with bubbles. The residents were all sitting out on the patio and in the shade as the parade of bikes arrived. Cindy was worried that not too many residents wanted to ride but when they saw the Wings pull in and load the first wave of resident riders on, then more wanted to go.

There were 2 bikes, 2 trikes and 4 sidecars to give 25 rides in all. Drivers were: Claude and Terry on the bikes, Mike and Dean with the trikes, Doyne, Tom, Ted, and George with the sidecars. Bruce and Ray brought their muscles. Jeannie, Carole, and Joann were there for support. Janet was our photographer and Nancy assisted the residents on and off the bikes. Cliff, Myra, Mom and a young friend came in time for the teen and Myra's Mom to ride in the last round.

The Bridge served us cold water and ice cream cups before the 3rd round went out. Two of the ladies that did not get to go last year, due to a heavy downpour of rain, did finally get their riding intwice! There were two gentlemen that had just turned 97 and a lovely lady that turned 96 this year. A daughter even got to ride with her Dad in Doyne's sidecar so that will be a ride she will cherish for years to come. Even some of the Bridge staff got to ride. Beautiful weather and plenty of smiles!! We all had a great time!

A big thanks to the Chapter members who participated and a Special thanks to Apex's own Doyne Brunner, Tom Brunner, Ted (Mike's Dad) and George Davis driving one of Doyne's sidecars. Those sidecars helped alot since some of the people were not able to get onto a bike or trike!
