-From the Director's Desk -

It's June already, and it seems as though time is really going faster every month. Our annual **Chapter-I Picnic Fundraiser** will be here before you know it. We are now selling tickets for the picnic...\$10 each before the picnic or \$12 each at the door. Each ticket is uniquely numbered so that we can use them for a cash prize raffle during the picnic. We will put \$1 into the prize money for every ticket sold. The more tickets we sell, the bigger the cash prize.

We will also have a special raffle for the beautiful stained glass window panel featuring a great looking Gold Wing set against the grandeur of Pikes Peak. This beautiful work of art has GWRRA CO-I etched into the glass, and really belongs in the home of one of our great Chapter-I members. We will sell the special raffle tickets for \$1 each. The more tickets you buy, the better are your odds of having the winning ticket. However, you must be at the picnic in order to win.

As you know, the picnic is our biggest fund raiser of the year. More than that...it is a fantastic time to get together as a group to have a some really good picnic BBQ, play games and just have a great time. This is by far the best event of the summer, and we really hope that everyone will be able to come out to join in the fun.

Immediately following our last chapter meeting, Earl hosted the Road Captain Course. There was a good class discussion followed by on the road practice. The group looked like they had a great time and learned some valuable and practical concepts to lead rides. Thank you Earl for this important training event.

We were not able to make the 7th Annual Bridge Ride, but we heard it was a big success with plenty of bikes, folks to help out and a lot of smiles all around. Thank you Claude and Nancy for pulling this event together again this year.

Other events on the horizon include:

- ▶ July 8th - Chapter E 3rd Annual Poker/Bug Run & Picnic
- ▶ July 15th - Chapter-I's Annual Picnic Fundraiser
- ▶ July 20th - At Cliff & Myra's House Dinner Ride
- ▶ July 29th - Apex Roundup
- ▶ August 24-26 - Colorado District Convention in Salida
- ▶ August 12th - Watch Ray Daniels race

Finally, on October 6th, Ray Daniels will be inducted into the Colorado Motorsports Hall of Fame. He was nominated by his friend Mike. It will be at the Denver Wings over the Rockies Airplane Museum. Be sure to congratulate Ray on this great achievement.

Happy Fathers Day to all of our Dad!

Ride safe, and we will see you out there.

THOUGHTS FROM THE BACK SEAT

I love the month of June, the official beginning of summer. June springs into motion, long, warm, sunny days, motorcycle rides, camping, BBQ's and picnics in the park. This is the time of the year when we enjoy hiking, swimming, fishing, bicycling and did I say more motorcycle rides?

June is when we finally get to, OFFICIAL LY, start wearing shorts and t-shirts, to drink lemonade, ice tea or anything else we want on our decks. It is that wonderful time of the year for vacations, visiting friends or being visited by them, taking naps in a hammock or going to a family reunion.

As we prepare for and look forward to all the fun events and rides coming up this summer in our different chapters and our district, how grateful I am for our chapter I family. What a WONDERFUL, group of people to call our friends.

I love the time we spend together! I know I have said it before, BUT our monthly meetings are ALWAYS so fun, so great! Seeing ALL of our friends back for the summer and spending time with friends who just dropped by for a visit, made last Saturday's meeting the best!

Also, may I say for Steve, I and ALL of our chapter I family, WELCOME to all our new members! We are so very glad you are joining us! We are looking forward to getting to know you better and spending many fun times together! Oh, by the way, just so know, the folks in our chapter, well, their just, GOOD, company!

RIDER EDUCATION

RIDER EDUCATION LEVELS PROGRAM

Do you know the first step to starting up the Rider Levels Program?
It begins with a simple and important commitment...

Level 1—"SAFETY BY COMMITMENT"

This is achieved simply by making a commitment to ride safely.

Level 2—"SAFETY BY EDUCATION"

This is achieved with addition of :

- Taking an ERC –Experienced Rider Course, ARC—Advance Rider Course, or TRC—Trike Rider Course
- 5000 miles of safe riding
(Safe riding is defined as having no accidents.)

Level 3—"SAFETY BY PREPAREDNESS"

- Must currently be at Level 2 in the Rider Ed Program
- First Aid and CPR Training
- Motorist Awareness Seminar [one-time]
- Carry First Aid Kit on bike

Level 4—"SAFETY BY ENHANCED PREPAREDNESS AND EXPERIENCE"

- Current Level 3 for one year
- Current First Aid and CPR
- 25,000 Safe miles
- Completed Rider Training course within the past year
- Wear proper riding apparel at all times while riding.

Level 4— "SENIOR MASTER—Level 4 for Five years

Level 4— "GRAND MASTER— Level 4 for Ten years

Level 4—"LIFE GRAND MASTER — Level 4 for Fifteen years

RIDER EDUCATION

RIDER EDUCATION LEVELS PROGRAM

Patches, pins, and other dangly things are available as each stage is attained.

There is also a HIGH MILEAGE Program.

To be eligible, you must have accumulated 50,000 miles and have this validated by any GWRRA Officer.

Talk with your Chapter Rider Educator to get signed up, if you haven't yet, and to ask about Rider Courses and CPR/First Aid and any other rider education questions.

THE BRIDGE RIDE

It was a beautiful warm day for the "Bridge Ride". Couldn't ask for any better. Claude and I showed up a few minutes before 12:45 at Stargazers parking lot, excited to see so many bikes, trikes and sidecars there waiting on us. There were 5 Bikes, 5 Sidecars and 4 trikes to give the residents rides. This year we did not have as many residents wanting to ride as previous years but the ones who did ride loved every minute of it. Some even when twice. There were also rides given to Cindy and some of the staff.

Carol Moravek, Janet Hall (photographer), Nancy Lockhart, Jackie Lacasse, Dean and Joann Hauser, and Jeannie Bondurant were there to support the mission. Charlie Daye brought Kirsten on her first ride since her neck surgery. I think she enjoyed getting out but the ride down was a bit bumpy for her. Taz was there to entertain the residents that did not ride. Charlie showed off his riding skills once again which amazed Doyne. He even let Charlie try out the sidecar while taking Kirsten for a spin.

A very special Thank you is going out to everyone for making this day special to those who rode: Doyne Bruner, Ted Stokes, Dennis Popp, Tom Bruner and George Davis on sidecars. It was easier to load some into them. Dorothy Tolliver, Mike Hall, Doug Irish, and Ray Moravek on their trikes. The bikes were driven by Claude Lockhart, Charlie Daye, Chappie Wattie, Earl Edwards, and Ken Kerbs.

The residents were already talking about next year's visit. Every one enjoyed the ice cream and cold water after the rides not to mention great conversations.
