## -From the Director's Desk -

We just have to say, what a wonderful job the planning team did to make this year's rally memorable. There were a lot of things going on to more than fill your time at the rally. There were some very nice rides to take each day. There were some great games and activities to participate in. The competition was fierce in so many areas...in a FUN way. Everyone we talked with, said this was one of the best conventions they've been to. Everyone knows this doesn't just happen. It took a lot of work from a great group of people. We just want to say a very BIG THANKS to the team and in particular to Jim and Olga for coordinating this year's rally.

Some of our favorite take aways from this rally include the fierce competition exhibited at the ITMRA area. This is serious business, and it was obvious the competitors went to all lengths (or as far as they could given their resources). The track was slick and the racing officials were on top of their game. It's exciting to see this sport mature to the level it has. It's clear that this is a sport that really measures up to it's expectations. They even have their own web site (<http://itmrastuff.com>).

Another favorite activity was the Hula contest. There were a lot of competitors in this contest working hard to capture the judges eye, and in many cases burning images that we simply can't get out of our heads. My hat is off to these courageous folks who drop the curtain on the show to take the win.

One of the new games this year, WINGO, made a great debut at the rally. This is a fun game that really gets people involved and excited. It seems to be a cross between BINGO and Horse Racing. I'm still not sure of the rules, but I love playing it!

The Bike and Light shows went well this year with one of our largest participations. It was great to see the bikes show off their lights around the rally grounds and then park in building 2 to be judged. The participants hard work made the evening bright with all the lights. The Bike show was very well attended with 17 bikes in the contest competing for ten different classes this year. Our congratulations to all of those that took home an award. A complete list is in this issue of your Newsletter.

Again, we want to say thank you to everyone that made this year's rally a great success.

Here's to going for a ride together!  
Steve & Jacque

## THOUGHTS FROM THE BACK SEAT

WOW! It is hard for me to believe that it is already September! It seems that the year has flown by.

The month of August, in fact the whole summer has been a super busy time for our chapter. Between our many dinner rides, ice cream runs, camping trips, our chapter I picnic, Bunko & Barbecue and this year's district rally, our chapter calendar has been very full.

As you all know, Jim and Olga Wyman were our district rally coordinators this year. What an amazing job they did!! Steve and I heard, not only from district staff but folks from other chapters. Many folks shared how FUN the rally was and included comments like, it was the BEST rally in years!

We had a total of, 38 chapter I members in attendance. It was wonderful to see so many of our Chapter I family at district RALLYING around Jim and Olga.

There was so MUCH for everyone to participate in, be it, tape measure races, Wingo, group rides, our bike and light shows, or making blankets and care packages for donation. There were cookie, Hula, Mascot, newsletter centerpiece, and sand castle building contests. If that wasn't enough, in your spare time you could even do a little movie watching!

Also, may I just say, for those of us who were there, we will NEVER forget our chapter's WINNING performance in the HULA contest! :)

THANK YOU Jim and Olga and THANK YOU Chapter I, for making this year's district rally not only VERY fun, VERY successful, but VERY entertaining too!

Dear Chapter I and extended GWRRA family,

We want to Thank You All so very much for the outpouring of love and condolences for our family through the many emails and cards received. Our precious Grandbaby Chance Rian Wyman entered life on Earth June 19, 2017, and unexpectedly returned to Heaven on Sept 2, 2017. Our hearts are broken and we are still very shattered over the loss.

What was to be a most joyful weekend and potential 'homecoming' celebration for Baby Chance, turned out to be an altogether unexpected 'homecoming' from this life to the next. He was only on this earth 75 days; with less than 24 hrs home. Josh & Chelsey were the best loving parents they could be throughout the time, and we and Chance's other grandparents and other Aunties and Uncles visited and cuddled, kissed and loved this precious Baby Boy as often as we could. This child was overwhelmingly loved, as every child should be! I am so very grateful for the many, many photos taken that will forever be cherished.

He's Gone Too Soon...unbeknown to us, he was apparently a Borrowed Angel who for reasons unknown to us all, had to return to Heaven.

Although it's been an extremely difficult time, Baby Chance was honored and given a beautiful 'release' from Earth to Heaven. Many of us took turns reading the favorite books and prayers that the kids would read to him every night since before his birth, and throughout his time in Children's Hospital. There were 75 white roses and 75 balloons for the number of days Chance lived. Each person attending the graveside service was given a white rose to be laid upon his casket. Josh and Chelsey were given 2 'monkey' balloons, as anyone who saw the numerous photos of this babe saw he always had his trusty 'monkey' pacifier. The remainder of us had white and blue balloons; which we simultaneously released after prayer giving thanks for the time we were blessed to have had Baby Chance with us.

As we continue to mourn, we do also have hope, and have more reason now to look forward to the time we move forward from this life to eternity in anticipation of the joyful reunion to come.

Blessings and Thanks for your prayers, love, caring and support through your friendship and prayer.

Jim & Olga Wyman

## 2017 Colorado District Bike & Light Show

### Bike Show Winners

Class	Place	Winner	State	Chapter
GL-1800 Stock	1st	Kenneth W. Kerbs Jr	CO	I
	2nd	Mark J Sullivan	CO	I

## GOOFY

Goofy is awarded to one Chapter member who has done the goofiest thing since the last meeting. Goofy gets to spend the next month with that person. The person receiving Goofy must add or attach something that represents their “goofy” stunt.

Members, be on the look out for someone pulling a Goofy.

Goofy is heading to a warmer climate.

We look forward to his return next Spring
