~ From the Director's Desk ~

This year, a very special circumstance takes place. Not only does Easter come early, but Easter falls on April 1st. Now, we realize that this is a very special day for many of us. Jacque and I particularly enjoy the Easter time. April 1st is also a favorite time... 😊

I'm sure that many of you enjoy reading our newsletter from start to finish. We encourage you to do just that! However, I'm sure that some of you glance at the newsletter as if it was written in Latin.

~ Thoughts from the Back Seat ~

The start of April brings out the flowers, and in some cases the fools.
Sometimes it's good to let others do the talking from the back seat...

"The first of April, some do say,
Is set apart for All Fools' Day.
But why the people call it so,
Nor I, nor they themselves do know.
But on this day are people sent
On purpose for pure merriment."
- Poor Robin's Almanac, 1790

"I love the spring.
For every day
There's something new
That's come to stay.
Another bud
Another bird
Another blade
The sun has stirred."
- Unknown

"Just sitting quietly, doing
nothing,
Spring comes, and the grass
grows by itself."
- Zenrin poem

"In the spring I have
counted one hundred and
thirty-six different kinds
of weather inside of four
and twenty hours." - Mark
Twain

"An optimist is the human
personification of spring."
- Susan J. Bissonette

...I'm no fool!! 🤪
Jacque Callicott
Chapter I Director

"A small green frog
On a big brown log;
A black and yellow bee
In a little green tree;
A red and yellow snake
By a blue-green lake,
All sat and listened
To red bird sing,
"Wake up, everybody,
It's spring! It's spring!"
- Unknown

"Meadowlarks
give lusty cheers
when spring appears
when spring appears.

Buds and seeds
prick up their ears
and blades of grass
show eager spears.

And only icicles
weep tears
when spring appears
when spring appears."
- Aileen Fisher, When Spring Appears
