Springs Wings

~ From the Director's Desk ~

I thought, "Maybe this is the month I won't mention the winter weather". But of course, I was wrong!

Of course I am referring to the 18 - 20 inches of snow in late May that was a sudden, heavy, wet snow. Combine that with the extra vulnerability of trees starting to bloom, and we really have a mess on our hands. How many of you are still clearing out fallen branches? I'm cleaning up on this Memorial day even though I missed the snow. I was in Alaska enjoying some true Spring weather.

Speaking of Memorial day, it's important to remember the purpose of each holiday honoring military service:

- Armed Forces Day is for those who currently wear the uniform.
- Veteran's Day is for those who have worn the uniform.
- Memorial Day is for the heroes who never took the uniform off.

We thank all our heroes in uniform and today we take the time to honor the fallen.

Now let's look forward to the month ahead. As you can see here, we have a LOT of activities coming up! The Pantry ride is one of our favorites. Plus, we have the Howl at the Moon, the Bridge ride, and let's not forget the picnic barely a month away. What's YOUR favorite?

Let's give a shout out to all of the folks who step up and arrange these events, and the monthly dinner rides, and the camping trips, and... everything! We appreciate all that you do. Without our volunteers for our events big and small, nothing would happen, so I hope each of us will pitch in and help in some way this year. We are Chapter I :-)

Ride safe!

MAY IS MAINTENANCE

By Earl Edwards

May is Maintenance Month. Every day before we go on a ride, do a maintenance check of the motorcycle? We should all check our motorcycles before we head out for a ride. We should at least do a T-CLOC on our motorcycle. Establish a routine that you will go through before every ride. Start by evaluating the condition of your motorcycle as you walk up to it.

Do a mental T-CLOCS. Look at the tires as you approach (inflated, tread, visible damage). Are there any oily or wet spots on the ground under your bike (where did it come from, is it safe to ride)? And try not to be conservative when you answer these questions of yourself. Keep your eyes open for anything not right. Then, if everything looks okay, gear up. (Of course, you should do a physical T-CLOCS regularly, too, especially before starting a long ride!) A quick check of the motorcycle should take about a couple of minutes.

I definitely check all lights and turn signals. Make sure your GL1800 is maintained and is always in safe rideable condition. Items like brake pads, spark plugs, filters, shocks, bulbs, battery, tools, bearings, oil, repair manual and much more are needed to keep your Honda GL1800 performing at its best for a long time. Most Chapters get together to do maintenance on their motorcycles. Get together laugh, get dirty and have fun doing maintenance.

TCLOCS!!!

T - tires and wheels
C - controls
L - lights/ electrical
O - oils/ fluids
C - chassis
S - stands

Only protect the parts of your body you would like to use for the rest of your life!

Any questions contact Earl @ edwards_1500@hotmail.com

Thanks and ride safe.

THE MOLLY-DHARMA RUN STORY

The Molly-Dharma Run (MDR) began in 2007 to benefit MaxFund, a No-Kill Animal Shelter in Denver, Colorado.

This motorcycle ride event was named for Molly-Dharma, a very large, intimidating dog, who had many issues to overcome before she could be adopted, and who was kept at MaxFund for over two and a half years before Kirk Zimmerman adopted her. Ken Mann walked Molly at MaxFund and introduced her to Kirk when she looked, and acted, like she wanted to rip him to pieces. It was touch and go in the beginning, very difficult. Kirk and Ken co-founded this event in Molly's honor for MaxFund in 2007, ... and have done this event every year since. Read her story on the MDR website www.Molly-DharmaRun.org and follow her event on Facebook at Molly-Dharma Annual Motorcycle Run. Molly turned 12 in September of 2015, and crossed the Rainbow Bridge in 2016.

R.I.P. Ms. Molly-Dharma 9/1/2003 – 8/19/2016

In 2012, the Molly-Dharma Run became a 501(c)(3) non-profit organization in its own right, in order to promote and help other shelters in Denver and Colorado.

Gratitude is what this ride is all about. Gratitude from Molly for finding her forever home, gratitude to all the rescue organizations and their volunteers, who work so hard and make it possible to find forever homes for the countless dogs and cats still in shelters! We hope that you will consider adopting your next pet from a shelter ... perhaps one that the MDR has supported.

This event is about honoring Molly and her story to Paw It Forward ... promoting and helping worthy animal rescue organizations, especially the smaller ones, to find forever homes for all the animals in their care!

The following shelters benefited from the MDR: Maxfund for 6 years; 2013, imhs.org; 2014 hsspv.org; 2015 everycreaturecounts.org; 2016 EAPL.com, 2017 Planet Pet and 2018 EAPL.com (in a drawing). We hope to find other special shelters each year, and we hope you have a great time on this ride for this year's very deserving rescue organization.

This year, 2019, we're happy to have another worthy shelter to benefit from the 13th Annual Molly-Dharma Run. That rescue organization is **4P4L Rescue**, Sedalia, CO 80135.

Let's ride for the animals! Keep the rubber down and put a little extra in the kitty if you can. Thank you, bikers and friends of the MDR!

Co-Founders: Ken Mann and Kirk Zimmerman

Let's help make this a great annual event for a new shelter every year. With your help, we can!

THE MOLLY-DHARMA RUN MISSION

To use our annual event to shine the spotlight on smaller rescue organizations that may not get the attention they so richly deserve. Each year, we work to raise funds and awareness of a new worthy shelter and always include the names of prior organizations that have benefited from our event. Please see our Honor Roll of Shelters on our website.

The MDR is a 501(c)3 non-profit charity organization (EIN 46-2194021).
